

D & H INDIA LTD

**IGNITING COMPLETE  
WELDING SOLUTIONS**

**D & H INDIA LTD**

# WHO WE ARE

## Legacy & Trust

- 38+ Years of Proven Expertise in Welding Consumables
- ISO 9001:2015 Certified Company
- CE Certified Products

## Clients & Usage

- Trusted by 200+ Companies & Top Fabricators
- Used in various industries like Shipbuilding, Railways, Steel Plants, Cement Plant, Mining, Power Plant, Infrastructure, Refineries etc.
- Approved Vendor for L&T, JSW, SAIL, BHEL, NTPC, IOCL & More

## Capacity & Reach

- 3 State-of-the-Art Units: Indore, Dhar & Durg
- India's Largest FCAW Wire Facility

## Quality & Innovation

- In-house R&D recognized by Government of India
- AWS-Compliant Products
- Approved by BIS, DNV, ABS, IRS, LR, BV, BHEL, JSPL, RDSO & Others

**38+**  
Years of Experience

**200+**  
Completed Projects

**200+**  
Clients Trust Us

**500+**  
Products

# VISION & MISSION

D & H INDIA LTD

## **Vision:**

To be globally recognized as a reliable partner to the core industry - driving customer enthusiasm through continuous improvement, innovation, and a culture rooted in integrity and teamwork

## **Mission:**

To grow as a forward-looking organization powered by an agile, innovative, and environmentally conscious team. We aim to be the trusted solutions partner for the core industry while ensuring sustained growth that meets stakeholder expectations

**D & H INDIA LTD**

## OUR VALUES

Our values shape the principles behind our actions, attitudes, and behavior. These core beliefs guide us to act as one cohesive unit and reflect our long-term commitment to excellence

### **Leadership Through Quality:**

We strive to lead through superior product and service quality, achieving business growth, profitability, and technological advancement

### **Customer Focus:**

Our priority is to understand and meet our customer's needs through responsive, reliable solutions

### **Global Competitiveness:**

We ensure our offerings are world-class-competitive in quality, value, and service across both domestic and international markets

### **Innovation as a Pillar of Success:**

Innovation drives our success. We continuously improve across all aspects - products, services, relationships, and performance

D & H INDIA LTD

## OUR PRODUCTS

- Welding Electrodes

- Mild, Medium, High Tensile Steels
- Nickel Steel/Low Temp. Service
- Heat & Creep Resisting Steels
- Stainless Steels & Heat Resisting Steels
- Welding Cast Iron
- Hard Facing
- Ni & Ni Alloy Base Metal
- Duplex & Super Duplex Stainless Steels
- Welding of Galvanizing Bath
- Cutting and Gauging Purpose

Likewise complete range of **Low heat input** electrodes for Various maintenance applications

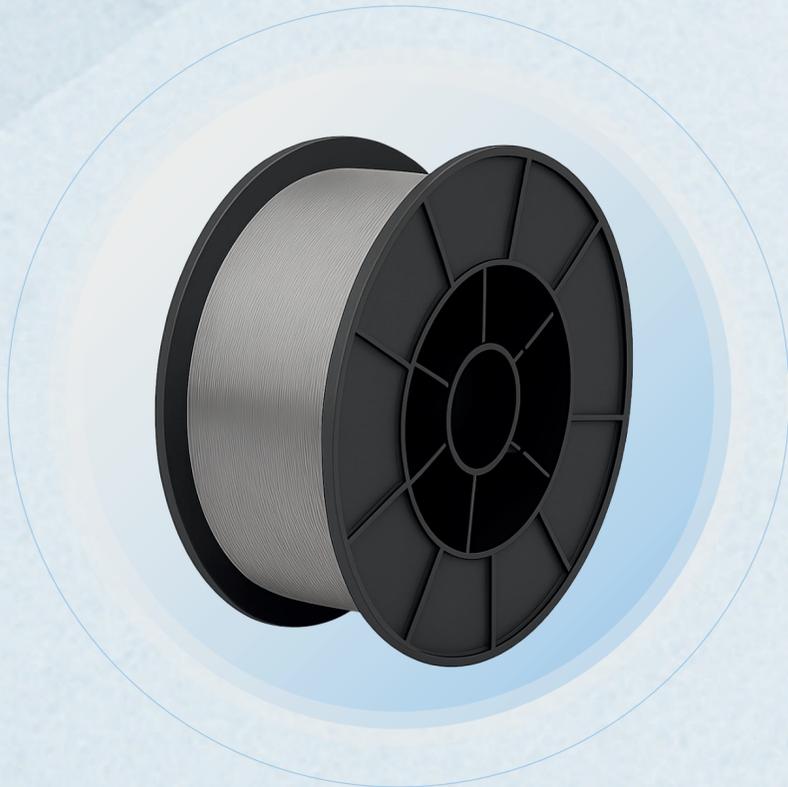

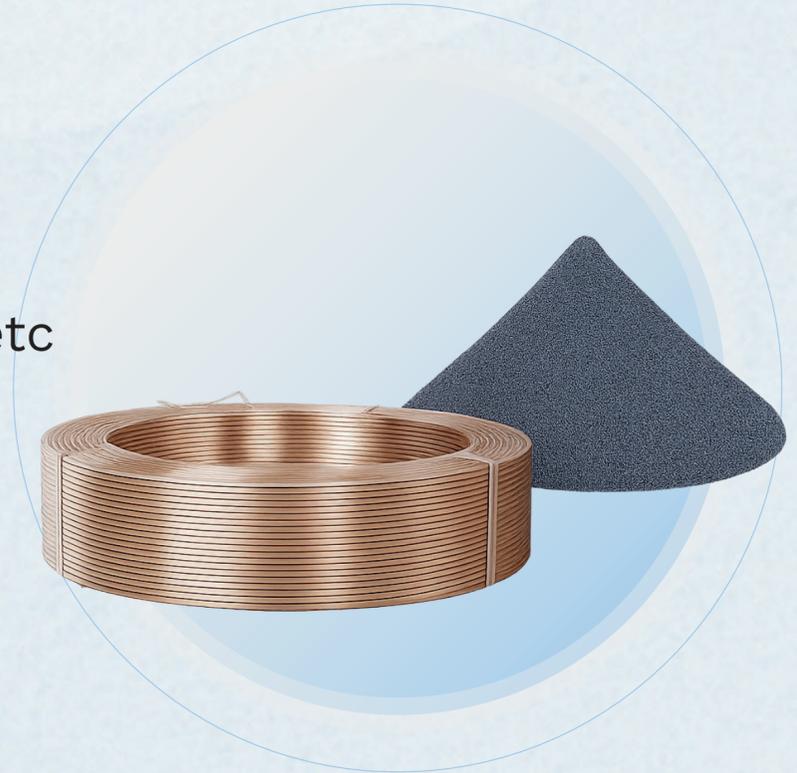

**D & H INDIA LTD**

## **OUR PRODUCTS**

- Flux Cored Wires, SAW Wires & Fluxes

### **Flux Cored Wires For**

- **Carbon Steel**  
E71T-1C, E71T-1M, E71T-5C etc
- **Low Alloy Steel**  
E81T1-W2C, E91T1-D1C, E81T1-B2C etc
- **Stainless Steel**  
E308LT1-1, E309LT1-1, E316LT1-1
- **Hard Facing OA Wires for Hardness**  
350, 550, 600, 700 BHN etc

### **SAW Fluxes For**

- Structural Fabrication
- LPG Cylinders
- SAW Pipes
- Pressure Vessels, etc

### **Saw Wires For**

- **Carbon Steel** - EL8, EM12K, EH-14 etc
- **Low Alloy Steels** - EA2, EA4, EB2, EB3, etc
- **Stainless Steel**

**Our SAW Wires & SAW fluxes are approved by RDSO in class W1, W2, W4 and F1, F2, F4**

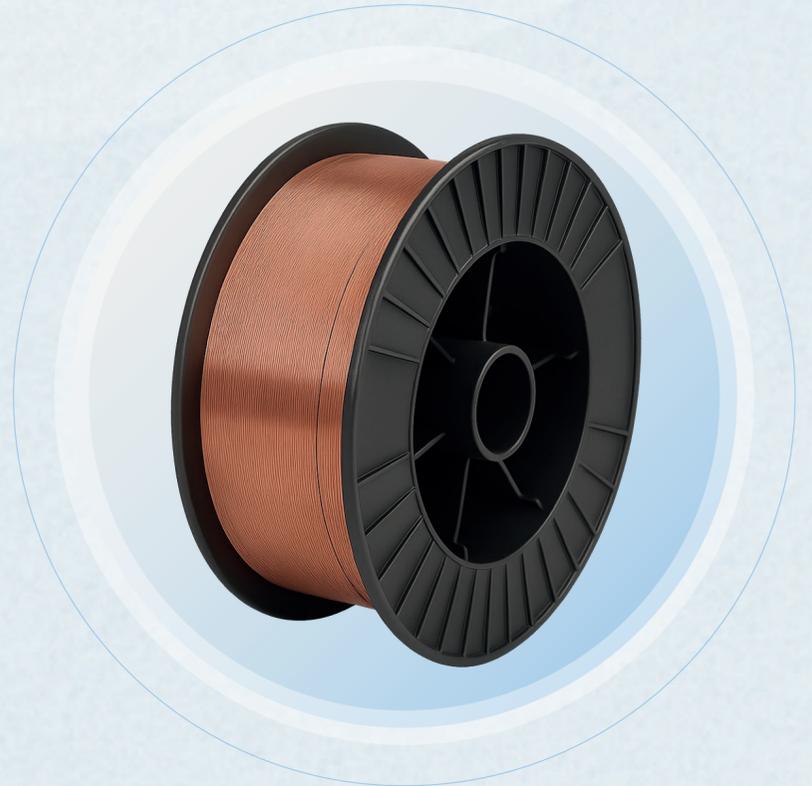

**D & H INDIA LTD**

## **OUR PRODUCTS**

- GMAW Consumables & TIG Wires

### **Various Types of MIG Wires Like:**

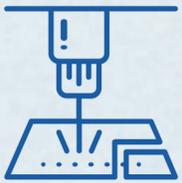

ER70S-6, ER80S-G, ER90S-D2,  
ER90S-G ER80S-B2, ER90S-B3,  
ER90S-B91 etc

### **Various Types of TIG Wires like:**

- Mild Steel TIG Filler Wires - ER70S-2, etc
- Stainless Steel TIG Filler Wires - ER308L, ER309L, ER316L, etc
- Low Alloy TIG Filler Wires - ER80S-B2, ER90S-B3, ER90S-B91 etc
- Ni and its alloys TIG Filler Wires - ERNiCr-3, ERNiCrMo-3, ERNiCrMo-4

# QUALITY & MANUFACTURING EXCELLENCE

## In-House Laboratories & R&D

Equipped with advanced testing and inspection tools to ensure consistent quality across all production stages

## Growing Customer Base

Trusted by 200+ clients across diverse sectors including fabrication, infrastructure, oil & gas, and OEMs

## Stage-Wise Quality Control

Multi-level inspections implemented at each stage-raw material, in-process, and final product-to eliminate defects

## Continuous Improvement Culture

Adopting lean manufacturing and data-driven process enhancements for long-term efficiency

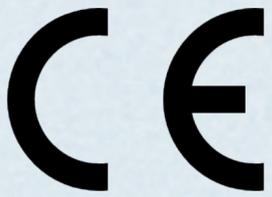

## Rapid Response Mechanism

Streamlined customer support and resolution system to address technical and commercial concerns swiftly

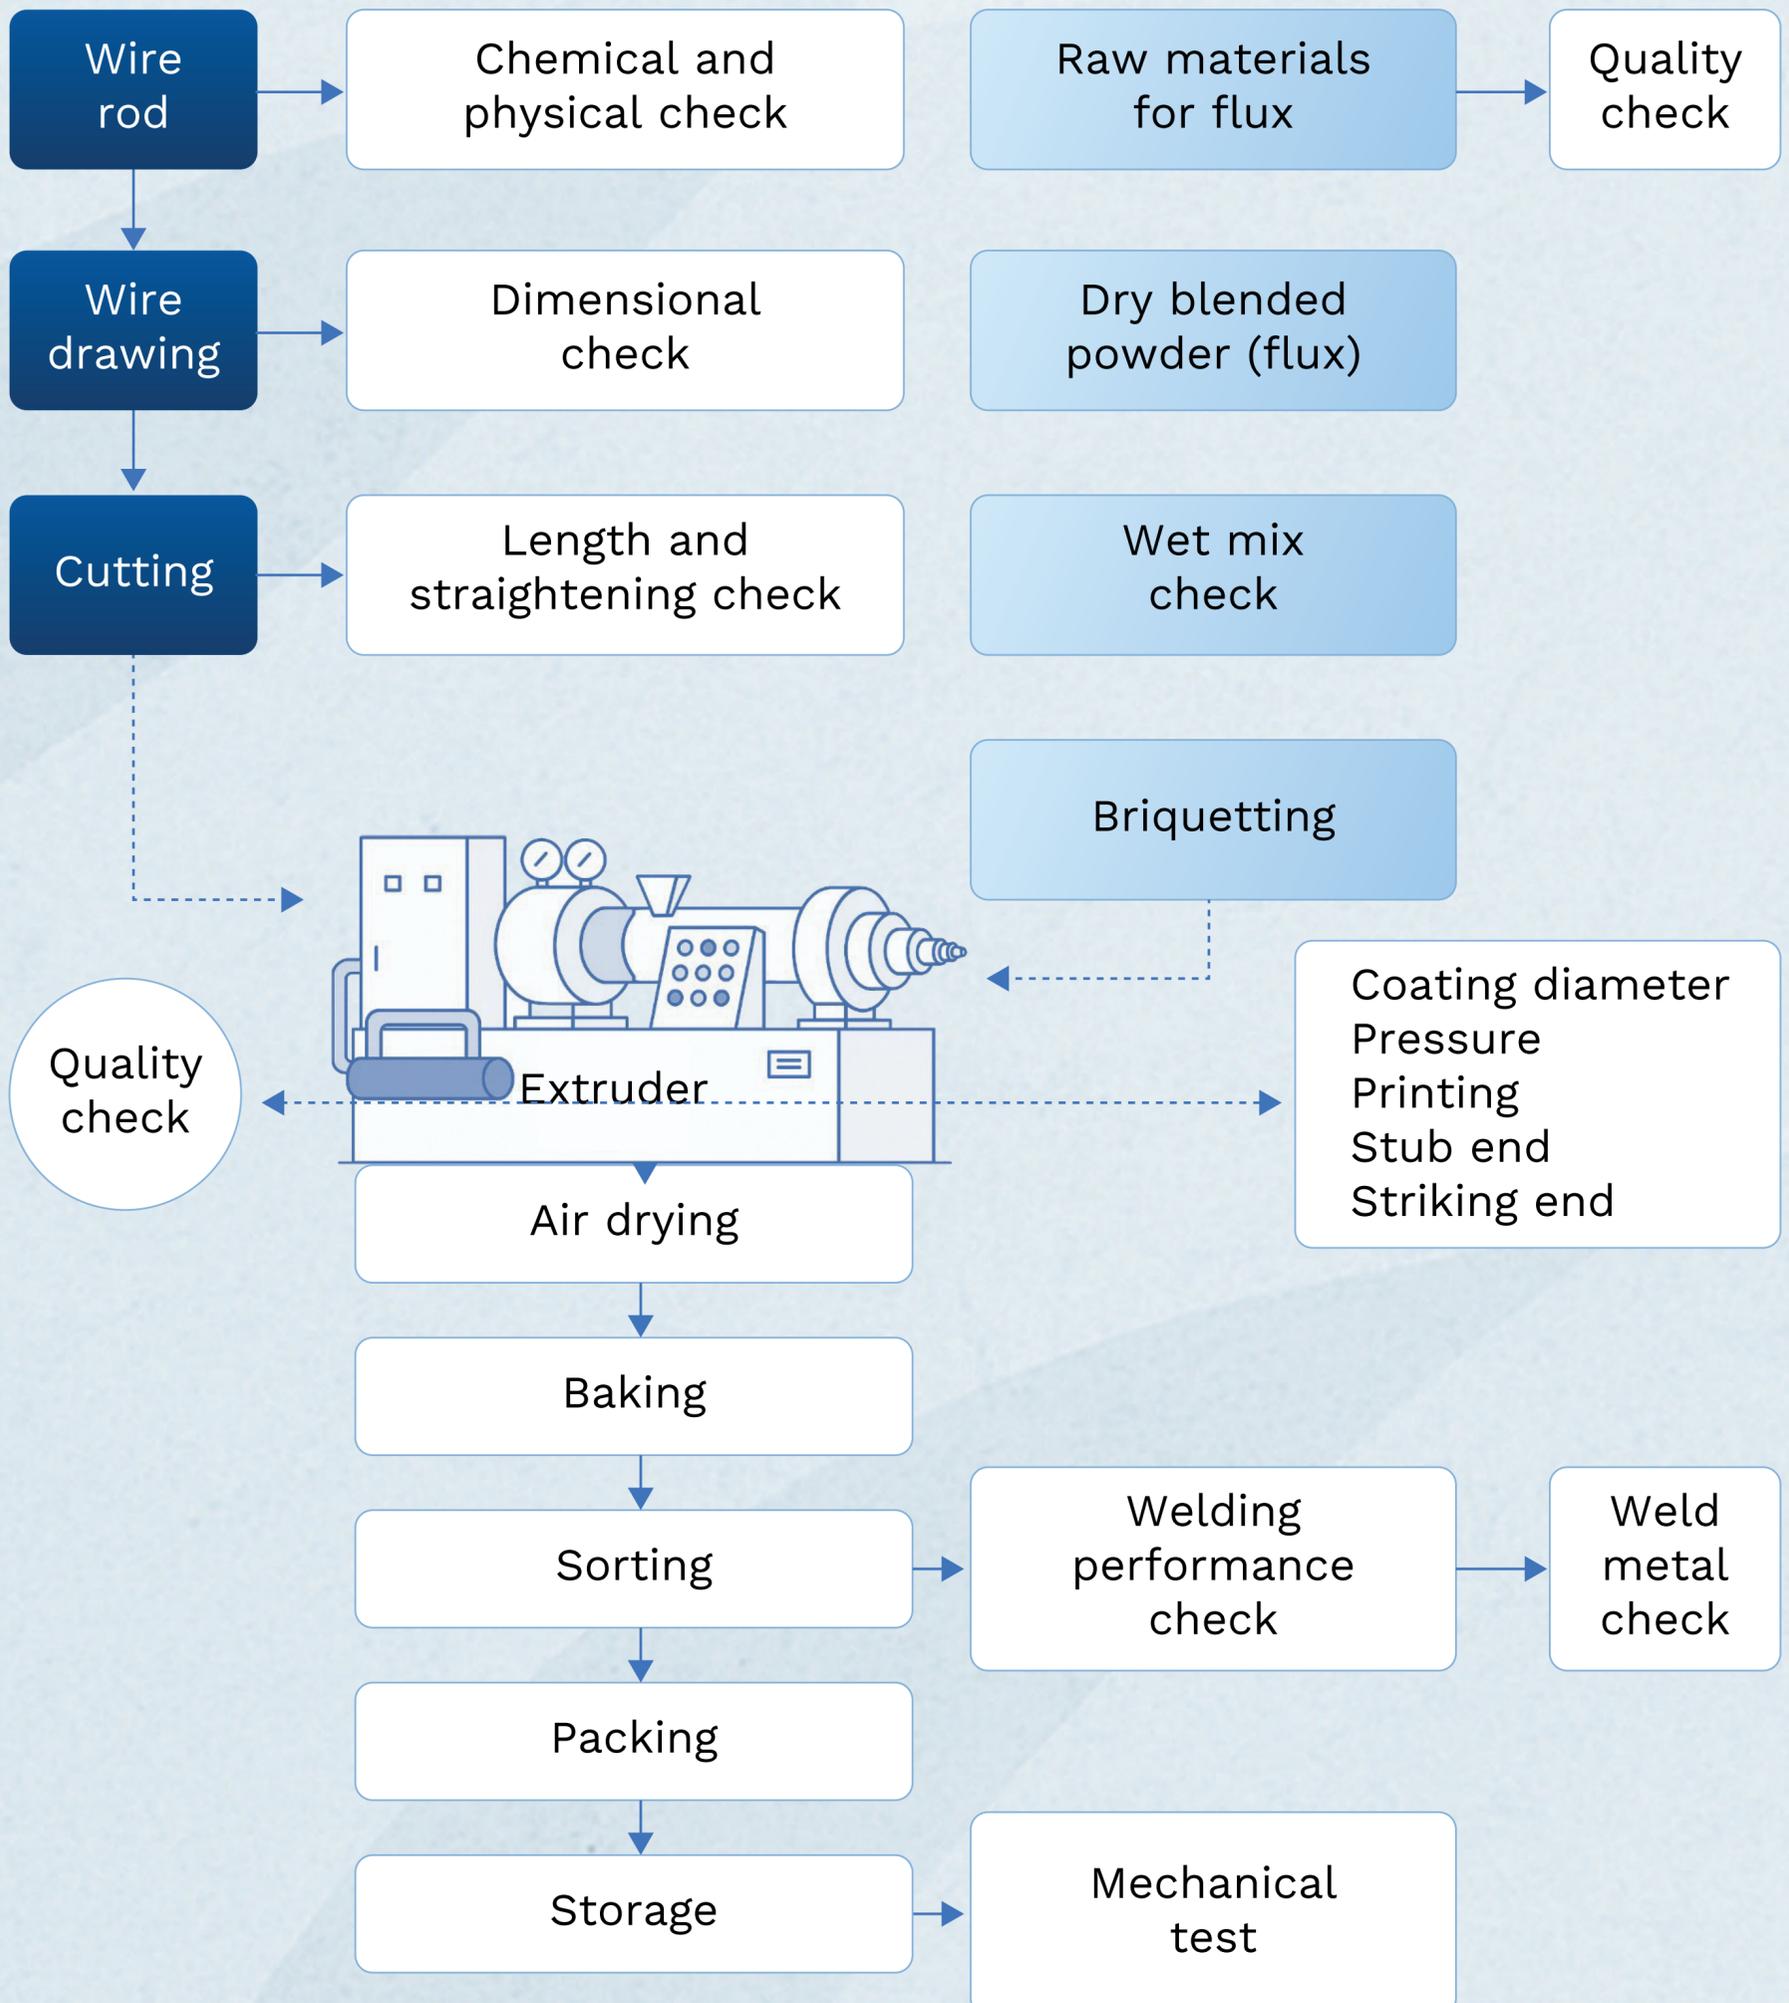

**RECOGNIZED BY GLOBAL  
MARINE CERTIFICATION BODIES**

D & H INDIA LTD

# FLOW SHEET FOR COVERED ELECTRODE PRODUCTION

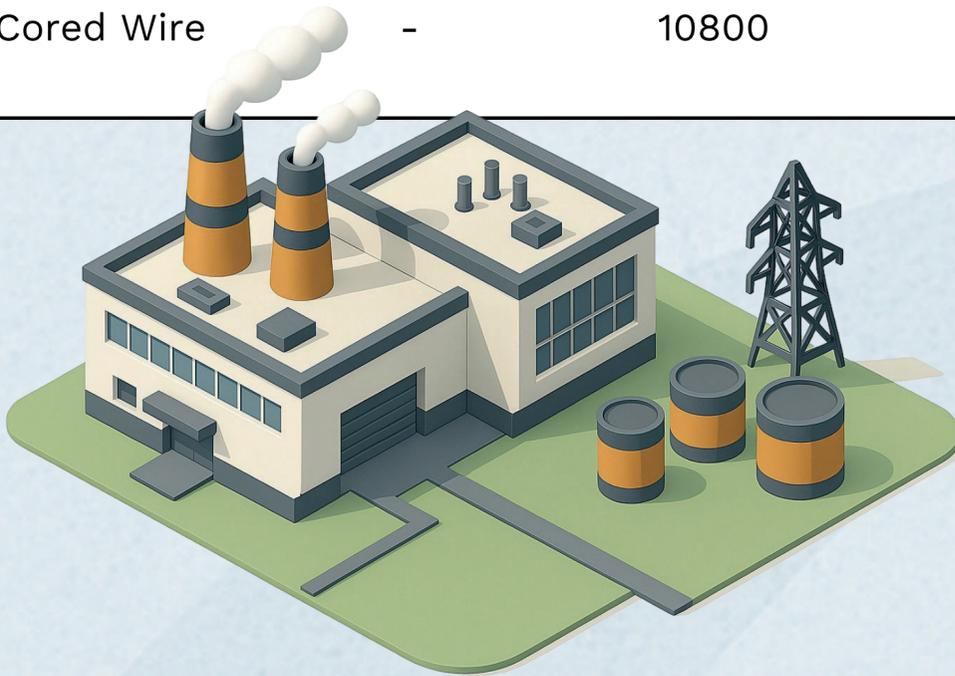

# PRODUCTION CAPACITY

D & H INDIA LTD

Sr No.	Products	Capacity Per Annum(MT)			
		UNIT - I	UNIT - II	UNIT - III	Total Tonnage
A	Welding Electrodes	10800	-	7200	18000
B	Submerged Arc Wire	1200	3000	-	4200
C	Submerged Arc Flux	1800	-	-	1800
D	CO2 Wire	-	4200	-	4200
E	Flux Cored Wire	-	10800	-	10800

# STRATEGIC INITIATIVES FOR SUSTAINABLE GROWTH

## Modernizing Infrastructure

Upgrading plants and expanding facilities

## Scaling Production

Boosting capacity across all segments

## Investing in Technology

Adding advanced production lines

## Expanding Reach

Growing distributor network globally

## Building Stronger Teams

Hiring qualified engineers and field staff

## Ensuring Quality Excellence

Zero-defect systems and continuous improvement

## Securing Strategic Approvals

New certifications from various sectors

**D & H INDIA LTD**

# THANK YOU

## FOR YOUR ATTENTION
