# INDEPENDENT AUDITORS' REPORT

To the Members of V & H INFRA PRIVATE LTD 204-A Kailash Esplande, LBS Marg, Ghatkopar (w) Mumbai-400086

# Report on the Financial Statements

We have audited the accompanying financial statements of V & H INFRA Private Limited, which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss, the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022 and profit/loss and changes in equity for the year ended on this date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Other Information

The Company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior. to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's and Board of Directors' Responsibility for the financial statements

The Company's Board of Director's is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act) with respect to the preparation of these financial statements to give a true and fair view of the financial position and financial performance of the Company in accordance with the Accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Accounting Standard 30, Financial instruments: Recognition and Measurement issued by the Institute of Chartered Accountants of India to the extent it does not contradict any other Accounting Standard referred to the section 133 of the Act read with rule 7 of Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls with reference to FS, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

# Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud

or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(1) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements

may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2022;

# Annexure "B" to Independent Auditors' Report

Referred to in paragraph (f) of the Independent Auditors' Report of even date to the members of "V & H INFRA Private Limited" on the financial statements for the year ended 31March 2022

- Report on the internal financial controls under clause (i) of sub section 3 of section 143 of the Act.
  - We have audited the internal financial controls over financial reporting of "V & H INFRA Private Limited" ('the Company') as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# Management's responsibility for internal financial controls

2. The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

- 3. Our responsibility is to express an opinion on the Company's internal financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls' both applicable to an audit of internal financial controls by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness

exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedure selected depends on the auditor's Judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of internal financial controls over financial reporting

- 6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:
  - pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflected the transactions and dispositions of the assets of the Company;
  - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
  - (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent limitations of internal financial controls over financial reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion of improper management override of controls, material misstatements due to error or fraud may occur and hôt be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changed in conditions, or that the degree of compliance with the policies of procedures may deteriorate.

#### Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls Over financial Reporting issued by the institute of Chartered Accountants of India.

	Name of the Company: V & H INFRA PRIVATE LIMITED
	Notes forming part of the financial statements
Note	
1.0	Corporate information V & H INFRA PRIVATE LIMITED is a Private Limited Company domiciled in India and incorporated under the provisions of Companies Act. The registered office of the company is located at Ghatkopar, Mumbai. The Company is engaged in mining business. These Financial Statements were approved and adopted by Board of Directors of the Company in their meeting held on 7th September 2022
1.1	Basis of Preparation These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis GAAP comprises mandatory accounting standards specified under section 133 of the Companies Act 2013 read with the rule 7 of the Companies (Accounts) Rules, 2014 and the relevants provisions of the Companies Act 2013 as applicable. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
2.0	Accounting Policies
200	Use of estimates The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialised.
2.2	Current versus Non-Current Classification
	All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Part II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.
2.3	Revenue recognition
	Expenses and Income considered payable and receivable respectively are accounted for on accrual basis.Revenue is recognized to the extent that it is probable that the future economic benefits will flow to the Company and the revenue can be reliably measured. <u>Sale of goods</u> Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards
	of ownership to the buyer, which generally coincides with the delivery of goods to customers.
	Property, Plant & Equipment :- Property, Plant & Equipment including intangible assets are stated at their original cost of acquisition net of recoverable taxes, including freight and other incidental expenses related to acquisition and installation of the concerned assets less depreciation till date. Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset is capitalized as part of the cost of assets.

#### Particulars

#### 2.5 Depreciation and amortisation

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act. 2013 Depreciation on assets acquired/sold during the year is recognised on a pro-rata basis to the statement of profit and loss till the date of acculsition/sale. The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, revised provided on the depreciation is carrvin

#### 2.6 Investments

Note

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

Long-term investments are carried at cost. However, provision for diminutions in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

#### 2.7 Inventories

Inventories are valued at cost or net realizable value whichever is lower. The company has adopted FIFO basis valuation method .However all the exepenses incurred to bring the goods to the factory are inculded in the cost.

#### 2.8 Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of the qualifying assets are capitalized as part of the cost of such assets. A qualifying assets is one that necessarily takes a substantial period of time to get ready for its intended uses or sale. All other borrowing costs are charged to revenue in the year of incurrence. During the year the same has been capitalised for Rs. 3,47,327//-

#### 2.9 Employee's Benefits

#### Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Other long-term employee benefit obligations

Other long-term employee benefits include earned leaves. The liabilities for earned leaves are not expected to be settled wholly within operating cycle i.e. twelve months after the end of the period in which the employees render the related service. They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period . The obligations are presented as provisions in the Balance Sheet. alle

#### Particulars

#### 2.10 Taxes on income

Note

Current tax comprises Company's tax liability for the current financial year as well as additional tax paid, if any, during the year in respect of earlier years on receipt of demand from the authorities. For computation of taxable income under the Income Tax Act. 1961, accrual basis of accounting has been adopted and consistently followed by the Company.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that the future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

#### 2.11 Provisions and contingencies

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities is disclosed in Notes to the account for:-

(i) Possible obligations which will be confirmed only by future events not wholly within the control of the company or

(ii) Present Obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized in the financial statement since this may result in the recognition of the income that may never be realized.

#### 2.12 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and cash at bank. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.13 Trade Receivables

Trade receivables are recognised at fair value

#### 2.14 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised at their fair value. faite
